DESIGN EXPERIENCE

Product Designer

Glen Pro Beauty Center | *December 2022–February 2023*

- Identified business needs and gained stakeholder approval for designs.
- Conducted UX research through user interviews, in-person observation, and competitive research to define user journey.
- Created user and task flows, branding, and high-fidelity prototypes for the store's responsive website.

UX/UI Design Student

Designlab | *July 2022–October 2023*

- Gained hands-on experience with the end-to-end design process, including UX research, data analysis, user flows, wireframing, UI design, prototyping, and usability testing.
- Projects included designing a responsive website for math teachers, a mobile app for retired adults, and a new feature for Disney+.
- Participated in weekly design critiques to present work in progress, and give and receive feedback.
- Engaged in over 30 hours of one-on-one mentorship with a senior UX designer and researcher.

OTHER EXPERIENCE

Math Teacher/Yearbook Adviser/Leadership Adviser

California School of the Arts – San Gabriel Valley | *July 2017–June 2022*

- Collaborated with the math team to iterate on lessons and assessments based on quantitative data of student outcomes.
- Established work cycle for student journalists to meet all publisher deadlines.
- Guided student journalists in creating and maintaining a design system.
- Worked with stakeholders to redefine school culture during the transition from remote to in-person instruction.

Math Teacher Community Roots Academy | *July 2014–June 2017*

Math Teacher John A. Rowland High School | *July 2013–June 2014*

Conference Presentations

- “Math Identity – I’m Bad at Math,” California Mathematics Council – South Annual Conference, Palm Springs, CA | *November 2019*
- “Number Talks – A Routine Empowering ALL Students,” National Council of Teachers of Mathematics Annual Meeting, Washington, D.C. | *April 2018*
